

To: Jim Provenza, Chair  
and Members of the Board of Directors

From: Mat Ehrhardt, P.E., APCO *ME*

Date: May 5, 2021

Subj: Air Pollution Control Officer's Report and Board Book

*The following is a brief status report on major issues and projects addressed by the District over the past month.*

#### **PUBLIC EVENTS:**

**Risk Control Open Forum for School Districts:** Stephanie Holliday attending this meeting on April 20. There were presentations discussing air filtration in schools, filter levels and reopening guidelines for California.

#### **MEETINGS:\***

**Sacramento Valley Basinwide Air Pollution Control Council Meeting:** I attended this meeting on April 2 via Zoom. Agenda topics included a report on ARB's Criteria Air Pollutants and Toxic Air Contaminants regulation.

**Yolo County PIO Update:** Stephanie Holliday participated in this weekly call on April 5, 12, 19 and 26 where Yolo County PIO Jenny Tan provided updates on the COVID-19 response, county programs and upcoming events in Yolo County.

**City of Davis City Council Meeting:** Paul Hensleigh made a presentation for the City Council on April 6 for Particulate Matter levels and our Don't Light Tonight (DLT) program.

**CAPCOA Planning Managers Meeting:** Paul Hensleigh participated in this virtual meeting on April 8.

**Spare the Air Pre-Season Meeting:** Stephanie Holliday participated in this meeting on April 8 where a discussion of the 2021 campaign was discussed with Prioso Communications, who manages the marketing campaign.

**Yolo Climate Compact Meeting:** Stephanie Holliday participated in this meeting on April 9. Each jurisdiction in Yolo County provided an update to projects and planning being conducted as well as discussions regarding collaboration in an effort to reach collective goals.

**CAPCOA Board and Legislative Subcommittee Meetings:** I participated in these meetings on April 15-16 via Zoom.

**Cool Davis Transportation Task Force:** Stephanie Holliday attended this meeting on April 20. Discussion of upcoming Loopapalooza, UC Davis infrastructure projects and other ongoing climate and sustainability planning and projects took place.

**CAPCOA Wildfire Conference:** I attended this virtual conference on April 20-21.

**CAPCOA Air Monitoring Meeting:** Paul Hensleigh participated in this virtual meeting on April 22.

**CAPCOA Information Technology (IT) Committee:** Paul Hensleigh represented the District on this monthly virtual meeting on April 22.

**CAPCOA Engineering Managers and TARMAC Committees:** Ben Beattie attended this virtual meeting on April 26-27. Agenda topics included updates from CARB (district program reviews, landfills/waste diversion, AB 617, AB 2588, and BACT/BARCT), EPA (COVID-19 updates, regulatory updates, NSR, EPS), and committee goals, training, and other district topics.

**CAPCOA Rural Section Meeting:** Paul Hensleigh participated in this virtual meeting on April 28 and gave a presentation on our asbestos program.

**Sacramento Regional Districts and Army Corps of Engineers Meeting:** Paul Hensleigh participated in this quarterly meeting on April 29 to discuss upcoming and ongoing construction projects, documents and general air quality concerns.

**Sacramento Regional CEQA Planners Meeting:** Paul Hensleigh participated in this meeting on April 29.

**TRAINING:**

*\*Attended by the APCO unless otherwise noted.*
