**INITIAL AGRICULTURAL OPERATING PERMIT (AOP) APPLICATION**

A separate application must be submitted for each individual **Stationary Agricultural Source (SAS)**. A SAS is generally considered to be agricultural equipment (non-mobile, stationary or portable emission units) under common ownership or control, located on contiguous property. Failure to adhere to the application instructions may result in an incomplete application and a delay in the processing of the application. For assistance, please call the District Engineering Division at (530) 757-3650.
