Retirement Health Benefits

The amount that the District contributes towards post-retirement health benefits is governed by CalPERS resolution and/or state law. Currently it is dependent on your coverage at the time of retirement. Each calendar year thereafter, under the current resolution/law, the employer contribution increases by \$100 towards the monthly premium until such time that it is equal to active employees employer paid health benefits (see Medical Pre-Tax Chart below). Cafeteria dollars do not apply to retiree health. Dental and vision are not covered retirement benefits.
