The Yolo-Solano Air Quality Management District (District) staff will hold a public workshop to discuss the proposed amendments to **District Rule 3.26, Oil and Gas Equipment Registration**. The rule is being adopted to provide an administrative mechanism to satisfy the requirements of and ensure compliance with California's Oil and Gas Regulation (17 CCR § 95665-§ 95677). The draft rule and draft staff report are available on the District's website (<https://www.yaqmd.org/rules-compliance/current-rules-rulemaking/rule-development>) or may be obtained by contacting Staff Engineer Andres Perez at (530) 757-3677.

The public workshop will be held at the following time and location:

Tuesday, September 3, 2019, 2:00 PM
Yolo-Solano Air Quality Management District
1947 Galileo Court, Suite 103
Davis, California 95618
(530) 757-3650

The District invites written public comments to be submitted to Engineer Manager Benjamin Beattie at the above address. Comments are to be received by the District by September 6, 2019.
