

To: Jim Provenza, Chair
and Members of the Board of Directors

From: Mat Ehrhardt, P.E., APCO *ME*

Date: July 14, 2021

Subj: Air Pollution Control Officer's Report and Board Book

The following is a brief status report on major issues and projects addressed by the District over the past month.

PUBLIC EVENTS:

California Climate Investments Webinar: Funding for Farmers: Stephanie Holliday attended this CCI hosted webinar on June 8 which discussed various state funding opportunities for low-emission agricultural equipment and technology and provided information on application processes.

MEETINGS:*

AAPCA Webinar U.S. EPA Air Toxics & Emerging Compounds Updates: I attended this webinar on June 3.

Sacramento Valley Basin Control Council Meeting: I participated in this meeting via zoom on June 4. Agenda topics included the adoption on the 2021-22 budget.

CAPCOA Board Meeting: I attended this virtual meeting on June 9.

CAPCOA Legislative Committee: I attended this virtual meeting on June 10.

Yolo County Climate Compact: Stephanie Holliday attended this meeting on June 11. Agenda topics included a roundtable update for local agencies on climate planning and ongoing projects. There was also a presentation by CARB on Environmental Justice and the Community Air Protection Program.

Cool Davis Transportation Taskforce: Stephanie Holliday attended this bi-monthly meeting on June 15. The meeting included a roundtable discussion of current projects and planning efforts by UC Davis and City of Davis in addition to YCTD, The Bike Campaign and agencies and nonprofits working in Davis.

Sacramento Valley Basin Control Council Technical Advisory Committee Meeting: I attended this virtual meeting on June 18. Agenda topics included a presentation by CARB on their clean air center grant program.

Yolo County Firesafe Council: Kenny Doss attended this meeting via Zoom on June 23.

AAPCA Webinar Clean Air Act Legal Updates: I attended this webinar on June 24.

CAPCOA Information Technology (IT) Committee: Paul Hensleigh represented the District on this monthly virtual meeting on June 24.

CAPCOA Public Outreach Committee: Stephanie Holliday attended this meeting on June 24. Agenda items included a discussion of upcoming wildfire season and potential PSPS messaging, agency roundtable updates, return to office and in-person activities and a meet and greet with new EPA Region 9 Director.

Cleaner Air Partnership Luncheon Fire and Smoke in Sacramento: I attended this virtual luncheon on June 25.

TRAINING:

National Air Compliance Training: Jennifer Border and Christopher Goodwin attended NACT 220 – Compliance Assurance Monitoring (CAM) training on June 22 and NACT 272 - Stationary Gas Turbines on June 24. Konstantin Serin and Andres Perez attended NACT 221 – Continuous Emissions Monitoring (CEM) training on June 23.

EPA Dispersion Modelers' Workshop: Kyle Rohlfing attended the 2021 Regional, State, and Local Dispersion Modelers' Workshop training on June 22-23.

**Attended by the APCO unless otherwise noted.*
