## JOB DESCRIPTION

### DEFINITION

Under general direction, plans, organizes, oversees, coordinates, and participates in Yolo-Solano AQMD public education and public outreach messaging and events. The Public Outreach Coordinator serves as a public liaison between the District and the general public; addresses and resolves project issues, defines strategies and plans for project communication, represents the District in public forums, inter-agency groups, and committees, and community meetings; tracks and communicates regulatory changes, provides assistance and education to businesses during the permitting and inspection processes, Public Records Requests, performs administrative duties such as scanning, filing, answering phones, and other duties as assigned. This position will process permitting documents as needed.

### SUPERVISION RECEIVED AND EXERCISED

The **Public Outreach Coordinator** receives guidance from the Administrative Analyst and the Administrative Office Coordinator. Direct supervision is received from the Administrative Services Manager.

### CLASS CHARACTERISTICS

This single-position class is characterized by professional public outreach responsibilities, including coordinating and educating on permit processes, and processing public records requests. Responsibilities include identifying outreach needs, developing messages and materials, coordinating and implementing various outreach forms, collecting data and evaluating program effectiveness, and report writing. This class is characterized by the responsibility to develop and produce publications, marketing campaigns, programs, presentations, and displays to increase public awareness about the District's functions, activities, and responsibilities. This position requires proficiency in desktop publishing, computer graphics design and acts as one of the District's webmasters. Attendance at occasional evening and weekend events is required.

### EXAMPLES OF ESSENTIAL JOB FUNCTIONS (Illustrative Only)

*Management reserves the right to add, modify, change, or rescind the work assignments of different positions and to make reasonable accommodations so that qualified employees can perform the essential functions of the job.*

- Prepare correspondence, forms, informational and educational materials, graphic design, and specialized documents from drafts, notes, brief instructions or corrected copy.

- Participate in inter-agency groups or committees such as, but not limited to, Solano Transportation Authority, Yolo

County Transportation Department, or Unitrans.

- Represents the District at meetings and conferences of community interest groups, professional associations, and public health organizations concerned with the effects of air quality.
- Participate with non-profit organizations to help promote alternate transportation.
- Analyzes and evaluates the public's interest and extent of understanding of district functions and programs.
- Representative for internal and external communications regarding wildfire and smoke updates.
- Coordinate and participate in public appearances, special events, contests, or exhibits to increase program or service awareness and further public relations objectives.
- Represents the district at public meetings, trade shows, fairs, public and private school groups.
- Performs public speaking at community and business events and meetings; interfaces with local and regional governmental agencies and elected officials.
- Coordinate outreach for grant programs and special events such as the calendar contests.
- Coordinate with other staff to obtain District Newsletter content, develop newsletter content and organize all content for Newsletter publication.
- Build and maintain cooperative working relationships with other District employees, public agency representatives, community representatives, public interest groups, or the general public and demonstrate positive customer service and communication skills.
- Standardize procedures and methods and continuously monitor assigned programs and communicate opportunities for improvement.
- Evaluates the effectiveness and coverage of public information activities.
- May prepares news releases, bulletins, brochures, newsletters and other media for public dissemination; creates graphs and charts for public presentation.
- Researches and analyzes materials for information to develop written documentation, reports, graphs and press releases.
- Responds to public inquiries regarding District regulations, permit processes, enforcement, legal authority, grant or incentive availability and air quality conditions.
- Develops and delivers educational presentations in classroom settings.
- Designs, writes and oversees production of media kits, brochures, newsletters, and other informational reference materials.
- Plans and coordinates public meetings.
- Coordinates the dissemination of air quality warning information on social media platforms.
- Develops and implements communication strategies.
- Assists in the formatting, printing, publication, and dissemination of District regulations and amendments.
- Maintains accurate records and files of work performed; prepares periodic and special reports as required
- Disseminates air quality warning and smog alert information to schools and the public promptly.
- Works with air monitoring section in packaging and compiling air quality data for use in reports.
- Ability to communicate effectively, maintain positive working relationships with coworkers and management and interact effectively and professionally under pressure.
- Understand and follow oral and written directions; communicate effectively, both orally and in writing; and understand and work within the scope of authority.
- Processing Public Record Request (PRA) and oversight of the program.
- Other duties as assigned.
