Subj: Air Pollution Control Officer's Report and Board Book

*The following is a brief status report on major issues and projects addressed by the District over the past month.*

#### **MEETINGS:\***

**Sacramento Valley Basinwide Control Council Meeting:** I attended this virtual meeting on December 3. Agenda topics included a discussion of the triennial attainment plan.

**CAPCOA Mobile Source and Grants Committee:** Stephanie Holliday attended this virtual meeting on December 8. Agenda topics included a review of 2021 Committee accomplishments, brainstorming for 2022, and a discussion of topics for Small/Medium Air Districts and topics that are important to address in the coming year.

**Cleaner Air Partnership:** I attended this luncheon on December 10. Discussions were focused on transportation and infrastructure.

**ARB Webinar:** Paul Hensleigh attended this webinar regarding upcoming changes to the In-Use Off-Road Diesel Regulations on December 14.

**CAPCOA Board Meeting:** I attended this virtual meeting on December 15.

#### **TRAINING:**

**IMPA-HR:** Muriel Clemente attended the *2022 Public Sector Employment Law Update* training on December 9. We reviewed 21 legislative updates and 10 case law updates, which focused on Human Resources related topics.

**WRIPMA-HR:** Muriel Clemente attended the *Making Data Usable* virtual training course on December 17. Topics of discussion included HR data points and how to interpret and utilize a variety of graphs.

*\*Attended by the APCO unless otherwise noted.*
