

# Yolo-Solano

## Air Quality Management District

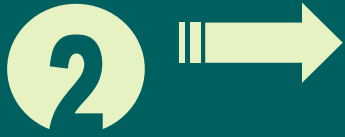

### Commercial Lawn and Garden Incentive Program

#### CHECK ELIGIBILITY

##### To be eligible, you must:

1. Operate within Yolo-Solano Air Quality Management District or Placer County Air Pollution County District.
2. Be a landscaping business, or a public agency or nonprofit that conducts landscaping work on a commercial scale.
3. Have operational gas or diesel-powered equipment to exchange for EV equipment.

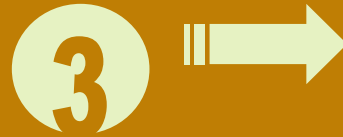

#### APPLY AND RECEIVE VOUCHER(S)

##### Complete and Submit Application

Submit completed application including supporting documents, e.g.: photos of existing equipment, by mail or email.

**Mailing address:**  
1947 Galileo Court, Suite 103; Davis, CA 95618

**Email to:**  
[grants@ysaqmd.org](mailto:grants@ysaqmd.org)

#### VISIT A PARTICIPATING MERCHANT

##### Find Eligible Retailers

Participating merchants are listed on the Commercial Lawn and Garden webpage.

A single merchant may not carry all eligible equipment, so please refer to the merchant inventory linked on the webpage.

Do not purchase or pay for new equipment or surrender existing equipment prior to applying for and receiving a voucher.

#### PURCHASE NEW EQUIPMENT

##### Exchange vouchers and old equipment for EVs

Give voucher to a participating merchant, who will apply a point-of-sale discount to your purchase.

Before receiving the new EV equipment, surrender existing gas or diesel-powered equipment to the merchant to be scrapped.

Merchant will ensure existing equipment is operational and is destroyed.

#### PROJECT CLOSE-OUT

##### For merchants only: Submit documents to YSAQMD

After new equipment is purchased, the merchant will provide a final report to YSAQMD with photos and documentation as required by the Program Information and Retailer Agreement.
